## MEDICINAL A RECORD

The worst forms of Scrofula, Salt-rheum, Tetters, Eczema, Erysipelas, Boils, Carbuncles, Enlarged Glands, Tumors and Swellings, are cured by it.

Mrs. JOHN G. FOSTER, of 33 Chapin Street, Cambridge, N. Y., says: "I was troubled with eczema, or salt-rheum, seven years. I doctored with a number of our home physicians, also with Rochester, New York, and Philadelphia doctors, and received no benefit. I paid out hundreds of dollars to no purpose. I have taken ten bottles of the 'Discovery' and am entirely cured."

**What Shall I Take?**  
is the anxious question asked by those who are not feeling well—have no appetite—are out of sorts—have no energy—feel tired out. Perhaps you are feeling sick yourself.  
Many medicines are recommended, doctors consulted—(in many cases) much money spent in this search for health—and yet it can all be avoided.  
Wise people commence at once taking  
**Brown's Iron Bitters**  
and are soon made well and strong. Nearly every prescription given by physicians for such troubles contains IRON—which some people say they cannot take. Try *Brown's Iron Bitters*—it is warranted not to give headache, stain the teeth or cause constipation as all other Iron Medicines do.  
Genuine has the crossed Red Lines on the wrapper.

## GREAT NAVAL DISPLAY.

The number of war ships expected to be present at the opening of the great Kiel canal in Germany this spring will far surpass any gathering in recent years, excepting that of our naval review, when there were about forty vessels in New York harbor. Great Britain, France and Russia will send large fleets, while Italy, Spain and other smaller continental powers will be represented by some of their latest crack warships. The United States will have the flagship San Francisco and the Marblehead, and probably one of the two triple screw cruisers and the New York.

Secretary Herbert has notified the American Minister at Berlin to inform the officials that two ships, and perhaps four, will be at Kiel, in accordance with the Emperor's request. The opportunity of showing off the Columbia and Minneapolis, which are without equal in their class and to compare the New York with the Blake, an armored cruiser of nearly the same displacement, it is believed may be taken advantage of by Secretary Herbert, who has been anxious for some time to let foreign navies witness the latest successes which have crowned the building of the new navy. It is admitted that no ship is comparable to the New York of her tonnage and class, while there are but two triple-screw cruisers in the world except those belonging to the United States. Both the Kaiserliche Augusta and the French ship have failed to make the record of the Columbia, and in this branch of naval advancement the United States so far has outstripped foreigners.

Great Britain's fleet will most probably exceed both in number and power that of any other present. At our naval review she was careful to have more ships in line than either Germany, Russia, or France, and it is believed that she does not intend to be second at Kiel in the extent of her display. France may be influenced by that country's natural antipathy toward Germany by ordering a moderate-sized squadron, but Russia will certainly be there with her entire Baltic Sea fleet. Germany's ships in home waters will all be ordered out, and an attempt made to make the pageant the most brilliant, from a naval standpoint, that has ever been witnessed.

LOVE LED HIM TO FRENZY.—Frank Cornell, of Brooklyn, ten years ago met and loved Miss Hattie Bedell, of East Rockaway, now employed as a clerk in McCarty's store, at that place. It was generally believed they were engaged to be married, but this the girl denied. Miss Bedell a short time ago began to receive attention from a young man from Rockville Centre, and Cornell took the girl to task. She denied his right to say whom she should or should not accept as company. Then a coldness grew between them. Cornell went back to Brooklyn utterly crushed, but he could not remain. He returned again and again, only to find that Miss Bedell would not give up her new attachment.

There were bitter quarrels, and the culmination came when one evening last week Cornell followed Miss Bedell and her escort into the First Methodist church and created a sensation by upbraiding the young woman in church during the service. Cornell has since become a very great source of annoyance to Miss Bedell's family. He has forced his way into the house at night and has threatened to burn it.

Cornell's uncle, a wealthy plumber of Brooklyn, died, leaving his entire business and fortune to the young man. Cornell sold the business out at a ridiculously low figure. Miss Bedell's father and brother have taken him to Brooklyn repeatedly, and he as often returns. The father has declared that he will have Cornell locked up until there can be an examination into his sanity.—N. Y. Herald.

**Tours to Florida.**  
The complete appointment of the special trains, the liberality of the rate and the return limit of tickets, are among the features that have attracted the traveling public to the personally conducted tours of the Pennsylvania railroad to Florida. The next tour to Jacksonville, allowing two weeks' stay in Florida, will leave on March 12. The rate, Pullman berth on special train in each direction, is \$50 from New York and proportionate rates from other points. For further information apply to Ticket Agents.

**For Over Fifty Years.**  
An Old and Well-Known Remedy.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children when teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind. oct12 60 & 1yr
